Musical youth trumpet talent

Dynamics – The Medway Music Education Hub – teaches more than 12,000 primary school pupils every week.

These classes, supported by Medway Council, have helped to transform music education in the area over the past decade. From 16 to 21 March, 2,500 of these young music maestros will be showing off their skills in a series of concerts run by Dynamics' partner, Medway Music Association, at the Central Theatre in Chatham. Visit: www.dynamicsmedway.co.uk to discover more.
